

Premium Mini-Supermarket Franchise Opportunity for Modern Apartment Communities

1 EXECUTIVE SUMMARY

Convenio Mart is a tech-enabled retail model built exclusively for modern residential apartment complexes. By placing micro-supermarkets directly within large gated societies, we serve the daily grocery needs of thousands of residents with speed and convenience.

- High-margin, low-overhead operating model designed for dense residential catchments
- Hyper-local, dedicated ordering mobile app driving repeat, high-frequency purchases
- Guaranteed built-in footfall from residents within the same gated community
- Structured for swift profitability with predictable, high-volume transactions

2 KEY FRANCHISE FEATURES & FINANCIALS

An end-to-end turnkey business structure designed to maximise returns while protecting franchise owners on the downside.

Financial Parameter	Details & Terms
Minimum Investment	15 Lakhs – 20 Lakhs (covers setup, initial inventory, branding and POS hardware)
Franchise Fee	3 Lakhs – 5 Lakhs (100% refundable under contract terms)
Estimated Monthly Revenue	35,000 – 50,000 per month (indicative store-level revenue estimate)
Profit Sharing	30% – 70% ratio (30% to Corporate Franchise / 70% retained by the Franchise Owner)
Loan Assistance	Up to 75% bank funding arranged (only 25% initial capital contribution required)

3 HYPER-LOCAL TECHNOLOGY: THE CONVENIO MART APP

Every franchise is powered by our proprietary smartphone application. Residents in the apartment complex and neighbouring clusters can browse real-time inventory, place orders, and choose delivery slots.

- **Instant Room/Flat Delivery** — orders are packed at the store and delivered to the doorstep within minutes
- **Subscription Modules** — recurring daily deliveries for milk, eggs and bread, locking in monthly customer lifetime value
- **Inventory & POS Sync** — automated stock replenishment, real-time analytics and billing without manual reconciliation

4 FINANCIAL BREAKDOWN EXAMPLE

Assuming a standard net monthly store profit of **P**:

$$\text{Franchise Share} = P \times 0.70$$

In addition to the 70% profit retention, franchise owners benefit from an indicative monthly revenue estimate of 35,000 – 50,000 per store, based on observed performance across existing Convenio Mart locations. Actual revenue will vary by location, footfall and market conditions.

5 TRAINING & CORPORATE SUPPORT

Convenio Mart handles the heavy lifting so you don't have to. Our support team assists with:

- Apartment society association permissions
- Initial floor layout design
- Stock procurement and vendor management
- Staff training guidelines
- Targeted digital launch campaigns
